

# POLICE AND SECURITY CANOPY

**A safe and secure solution for effective law enforcement**

RMAA SA proudly designs and manufactures steel security canopies for security and policing applications. Our rust-resistant, lightweight steel canopies include rear mounted benches, interior lights, a lockable access door and mounting point for a light bar. This reliable product is popular in both private and government applications.

RMA Automotive South Africa was established in 2007 and forms part of the global RMA Group, based in Bangkok Thailand. Our modern facility is situated in Silverton, Pretoria where we design, engineer and build specialised vehicle modifications and solutions to cater for the mobility market on the African continent.

RMAA's vehicle personalization services, modifications and conversions are engineered from the ground-up and manufactured with the best quality materials. Our high quality standards and affordable pricing confirm our commitment to customer satisfaction at all times. The company is QVM and ISO certified and has a Level 4 B-BBEE rating.

# POLICE AND SECURITY CANOPY

## KEY FEATURES

Our strong and light steel canopies tried and tested for police, customs and the private security sector applications.

### Police unit:

- Our lightweight steel canopies offer heavy-duty security, fully complying with the national SAPS Specification.
- Best-in-class for rust resistance and ease of fitment, we design and manufacture steel canopies for most of the single-cab and double-cab options supplied by local OEMs in South Africa.
- Our Police canopies include rear mounted benches, interior lights, a lockable access door, with a secure mounting point for a light bar.

## CUSTOMISED FULLY EQUIPPED INTERIOR
